MEMORANDUM FOR THE RECORD

SUBJECT: Amendment No. 1 to Contract No. M-856 with The Levelage Foundation for Medical Education and Research - Project

- 1. Contract No. N=856 with the subject Contractor provides for certain medical, clinical, consulting and administrative support in connection with Project AQUATORS in general and the Waterteen Site in particular. The services are rendered under the contract on a fiscal year basis.
- 2. An amount not to exceed \$50,000 has been obligated under the contrast from Fiscal Year 1956 AQUATOMS funds, chargeable to Appropriation 21X6889, to cover work and services for the period from 18 July 1955 through 30 June 1956. Since it now has been determined that the extent of the work and services to be provided by the Contractor during this period will only approximate ema-half of that initially contemplated, it is necessary to decrease the estimated contract price proportionally. Accordingly, Amendment No. 1 to Contract No. N-856 reduces the estimated contract price from \$50,000 to \$25,000. As a result of this decrease in contract price, \$25,000 of Fiscal Year 1956 AQUATOMS funds will become available for other contractual obligations within the current fiscal year.
- 3. The term of Contrast No. M-856 also has been extended by Amendment No. 1 to 30 June 1957, subject to the evailability of Fiscal Year 1957 funds for this purpose.
- 4. Concurrence in the issuance of Amendment No. 1 to Contract No. M-856 is requested.
